THE 12-MONTH HOME MAINTENANCE WHEEL

A free tool from the Hearth & Order home command system. Eight honest tasks a month keep a house — these are the three that matter most. Print it, post it inside a cabinet door, and work the month you are in.

JAN	☐ Binder review + detector test ☐ Insulate freeze-risk pipes ☐ Photo new valuables	**FEB**	☐ Exercise main water shutoff ☐ Check under every sink ☐ Clean dryer vent line
MAR	☐ Service HVAC for summer ☐ Clean gutters ☐ Daylight saving: batteries + review	**APR**	☐ Storm kit assembled ☐ Photo every room for inventory ☐ Trim branches over roof
MAY	☐ Wash siding, check paint/wood ☐ Deck & porch safety check ☐ Service AC condenser	**JUN**	☐ Escape routes rehearsed ☐ Water heater at 120°F check ☐ Mid-year accounts check
JUL	☐ Rainy-day attic leak check ☐ Flush unused drains ☐ Rotate emergency food/water	**AUG**	☐ Update school-year pages ☐ Washer hose inspection ☐ Photograph home exterior
SEP	☐ Service furnace ☐ Chimney inspection ☐ Winterize outdoor faucets	**OCT**	☐ Fire Prevention Month drill ☐ Attic insulation check ☐ Log this year's improvements
NOV	☐ Clocks change: batteries + review ☐ Freeze-proof the pipes ☐ Guest-ready & giving check	**DEC**	☐ Year-end inventory update ☐ Review all insurance ☐ Set next year's 3 big projects

ONE WHEEL IS NOT A SYSTEM

Run Your House Like a Table

The wheel you just printed is the rhythm. The system is the rest of the house: every critical fact written down before the emergency, and proof of everything you own before the claim. That is **HEARTH & ORDER — the Home Command System**.

THE FAMILY EMERGENCY BINDER

Household roster and call order · medical snapshots · home systems map · document and policy locators · kids, pets, and vehicles · your wishes, in your words · the First 24 Hours checklist for the worst day.

THE COMPLETE HEARTH SYSTEM

The binder, this full Year Wheel — all twelve months, eight tasks a month — and the room-by-room Home Inventory your insurer hopes you have. One volume that runs the house.

The standard behind every page: production specs first — then progress you can see. Tracked. Proved. Delivered.

HEARTH & ORDER — THE HOME COMMAND SYSTEM
